I declare that

The work is out of copyright

OR

The work is protected by copyright but is required purely for my own research for a non commercial purpose or private study. I undertake not to lend, sell or reproduce it in any way. To the best of my knowledge, the work has not been published before the document was deposited in the Archive Service and the copyright owner has not prohibited copying of the work.

The supply of this material does not confer permission to reproduce, quote or publish it. Written consent for this must be obtained from the Archives and Special Collections Service.

Please Note

All copying will be completed by Archives and Special Collections staff by arrangement.

Completion of reproductions is at the discretion of staff, dependent on copyright and preservation considerations, and in accordance with the Archives and Special Collections Reprographics Policy.

Bound volumes cannot be placed on a photocopier and as such only digital copies are available for certain items.

These charges reflect, in part, the staff time required to complete orders and also the physical effect on the records copied.

Requests for publication should be made separately. Please see staff for details.
